

# Art History | BEYOND COLUMBIA

## Studying Art History prepares me to . . .

Analyze the form, style, and historical significance of art, in social, political, and cultural context

Evaluate and interpret visual information and media

Write clear, articulate, and persuasive texts

Explain and present complex ideas and visual information

Synthesize information from visual, written, and multimodal sources

Employ evidence to support or refute an argument

Conduct interdisciplinary and historical research

Collect and evaluate sources and the quality of information

Understand and translate across cultures and perspectives

Document and cite sources
