**CAREER TIP OF THE WEEK**

Hello, Class of 2018! You’re nearly to the halfway point in your college education, so now is a great time to start exploring options for the future. [Here are some next steps](#) you can take in planning your future career.

**CCE EVENTS AND PROGRAMS**

**ArtC Discussion on Career Paths after a Life in the Arts** - Feb. 22
Learn about career paths other students have navigated as they transitioned from arts background into careers in business, administration, finance and others. This is a low key round table session to brainstorm ideas and share actual experiences from alumni and student peers.

**Engineering Industry Showcase** – Feb. 23
Join CCE, NSBE, SHPE, SWE and AIChe for an engineering industry showcase featuring companies including Celgene, ExxonMobile, Boeing, ARCADIS and more. Be sure to RSVP, and happy engineering week!
Dinner & Discussion Events:

- **GS Dinner & Discussion: International Affairs** - This event is only open to GS students. On Thursday, Feb. 25, alumni and other professionals working in international affairs will share their professional experiences, industry insights, and answer questions about careers in international affairs. Hosted by GS Alumni Relations in partnership with GS Student Life and CCE.

- **CC Dinner & Discussion Series: Luxury Retail** - This event is open only to CC students. Join us on Tuesday, Mar. 1 for dinner and discussion with Kipling Hill (CC '10). Kipling will speak on her experience in the industry as a Merchandiser at Marc Jacobs International and her current role as Product Manager at Cartier North America.

Graduate and Professional School Coaching Series for GS Students starts Feb. 26

The Academic Resource Center invites GS students to attend a series of coaching workshops on preparing for, choosing and applying to graduate and professional schools. Click on each workshop to learn more: **Crafting Your Narrative** (2/26), **Finding Fit: Identifying Graduate or Professional Programs** (3/4), **Developing an Application: Part I** (3/25), and **Developing an Application: Part II** (4/8).
