Hi there, I’m Abby Stroup and I’m the Events Manager here at CCE. Are you interviewing for a job or internship this spring? We strongly encourage practicing with a counselor or alum before the real thing. We still have spots available for our final Alumni Mock Interview Night on Wednesday, Feb. 15 from 7-9p.m. Give us a call to schedule your 30-minute appointment! 212-854-5609.

Hello from Suzanne and Syndhia on the Employer and Alumni Relations team! Did you know that Nike has a quickly growing Data Science team? We recently spoke with a recruiting representative from their Global Headquarters in Portland, Oregon, who told us about a variety of internship and full-time opportunities available across their analytics, operations/supply chain, global sourcing and manufacturing teams specifically for non-MBA Masters and PhD candidates. In line with their “work hard play hard” philosophy, interns in particular are treated to a variety of outings to let them get to know Portland (and their teams) better. View and apply to available internship positions by Monday, Feb. 13, or visit jobs.nike.com to view all available full-time positions!

Learn the basics of a behavioral interview - the goals, the preparation, answers to common questions. You will also learn how to introduce yourself, dress, as well as how to send a thank you note after the interview. The workshop will conclude by teaching you how to research the market and negotiate successfully. RSVP here.
