CCE EMPLOYER NEWS FOR MASTER'S STUDENTS

Hello from Gabby on Employer & Alumni Relations! I recently had a meeting with Suez, a leading environmental sustainability firm, to learn more about their recruitment strategy at Columbia. Suez in North America operates with over 3,500 employees and currently recruiting for interns as well as full-time engineers, project managers, water and wastewater operators, IT, and environment health & safety specialists. Ready to join the team? Learn more about their opportunities.

This is Leslie also from the Employer & Alumni Relations team! Did you know CCE has a new Employer Partnership Program this year? Employers who are participating in the 2016-17 academic year, include Teach for America, Goldman Sachs, Citi, IBM, Morgan Stanley, and Vanguard. Check out their company profiles and follow them in LionSHARE to find out when these employers will
