Hello from Jennie and the Experiential Education team at CCE! We have over 60 internships in a wide range of industries and job functions and the deadline is coming up on Sunday, Oct. 30 so we encourage you to check them out. These are through our Columbia Arts Experience (CAE), Startup Internship Program (SIP) and Virtual Internship Program (VIP). Employers include Lucky Peach, Public Art Fund, KeeSun Trading and Clean Plates among many others. To apply, submit your application to individual positions of interest on LionSHARE. We also have a resume workshop on Tuesday, Oct. 25 for those who would like to get guidance on strengthening their materials. The great benefit of these programs is that in addition to industry experience you also get professional development support and networking opportunities – it is an internship plus! View the full list of positions on our web site and in LionSHARE by using the labels to search.
