Greetings from the Graduate Student Career Development team and all at CCE! We have two great events just for PhDs this week and next, co-sponsored by CCE and the Columbia Alumni Association; click below for details.

- **Career Pathways for PhDs: Healthcare/Pharmaceuticals** on Dec. 8 - Heather McKellar, PhD in Cellular, Molecular and Biomedical Studies and Luis C. Santos, PhD in Biological Sciences, will share their experiences navigating a job search in the industry and discuss their current roles. Light dinner will be served.
- **Career Pathways for PhDs: Consulting** on Dec. 12 - Neena Chakrabarti, PhD in Inorganic Chemistry, Business Associate Consultant at ZS Associates will discuss her experience navigating a job search in the Consulting industry and her current role. Light dinner will be served.

Hi from Syndhia on the Employer and Alumni relations team. Last week, I spoke with Loadsmart, a small startup based in Soho that works in the technology logistics space. The organization has an opening on their team, and have posted a Data Scientist position in LionSHARE. The best candidate for this opportunity will have core skills in statistics and machine learning, and ideally working on their Masters or PhD in that space. Check them out, and keep an eye out for more opportunities to connect with them on campus!
