THIS WEEK AT CCE

Hi there, I’m Abby Stroup and I’m the Events Manager here at CCE. Interviewing is a skill. Like all skills, it takes practice to become a strong interviewer. We encourage practicing with a counselor or alumni before the real thing. Join us for our final Alumni Mock Interview Night this spring on Wednesday, Feb. 15 from 7-9p.m. You’ll have the chance to interview with experienced Columbia alumni. Give us a call to schedule your 30-minute appointment! 212-854-5609.

CCE EMPLOYER NEWS FOR DOCTORAL STUDENTS

Hello from Suzanne and Syndhia on the Employer and Alumni Relations team! Did you know that Nike has a quickly growing Data Science team? We recently spoke with a recruiting representative from their Global Headquarters in Portland, Oregon, who told us about a variety of internship and full-time opportunities available across their analytics, operations/supply chain, global sourcing and manufacturing teams specifically for non-MBA Masters and PhD candidates. In line with their "work hard play hard" philosophy, interns in particular are treated to a variety of outings to let them get to know Portland (and their teams) better. View and apply to available internship positions by Monday, Feb. 13, or visit jobs.nike.com to view all available full-time positions!

TIP OF THE WEEK

Searching for an academic position? We have a resource page with plenty of tips and leads on the process.
