EMPLOYER NEWS

Register for the PhD & Master's Virtual Career Fair happening on Wednesday, March 2. This all-day event is sponsored by Columbia University and the Graduate Career Consortium. Connect with registered employers like Booz Allen Hamilton, Electronic Arts, Immuneering Corporation, Microsoft, and the New York Academy of Sciences without leaving your apartment. Make sure to review the event FAQ’s. Any questions? Email gradtalent@careereco.com, or call 770-980-0088.

CAREER TIP OF THE WEEK

You went to CCE's Spring Career Fair on Friday, now what? If you’re planning to submit applications to any of the companies you met with, consider having your resume and cover letter reviewed by a CCE counselor. For the employers you’re really excited about – why not follow up directly? If you grabbed a business card or jotted down the representative’s name (and can find their email or a general HR contact online), try sending a note expressing your thanks and attaching your resume, or asking a follow-up question. Learn more about writing thank you notes here.

CCE EVENTS AND PROGRAMS

Think Tank, Policy and Political Risk Industry Showcase - Mar. 2
Learn about career paths, industry trends and advice for the job search in think tanks and policy-making at this panel and networking session with representatives from the Council on Foreign Relations, Dalberg, Ergo, NYC Mayor’s Office of Operations, and the Social Science Research Council.

Career Exploration for PhDs - Mar. 4
This workshop is designed to help PhD students from all disciplines prepare for and execute a non-academic job search. Discussion will focus briefly on the nuts and bolts of the job search and will also explore the myriad career options available to you - the process by which you identify 'best fit' career options, survey resources to examine those options, and locate opportunities. Workshop will be followed by a Q&A session with Stacey Hartman of MLA and Patrick Smith of the Data Incubator. A light lunch will be served.

Where will you Check In Next? – CCE Sponsored Internship Programs
Already secured a summer internship in science, technology, engineering or in an international location? No problem, we can provide you with professional development support through STEP or CU GO. Check out the Summer CCE Network if you will be in Boston, DC, LA or San Francisco for opportunities to be connected to a mentor. Deadline to apply for STEP, CU GO, and SCCEN is Mar. 27.

Help us improve the CCE Website!
We're looking to collect information about how you interact with our website in the hopes of improving your online experience. The survey takes less than two minutes and completing it enters you in a drawing to win a Columbia sweatshirt. Click here to start the survey!
