Hello! This is Alice from CCE’s Graduate Student Career Development team. We will be resuming our 30 minutes long career counseling appointments this week, so call us at 212-854-5609 to make an appointment.

Also, if you haven’t done so already, reserve your seat for Career Pathways for PhDs: Conversations with Alumni on Wednesday, Oct. 19, brought to you by CCE and the Columbia Alumni Association. Dr. Limin Wang, PhD in Theoretical and Mathematical Physics will speak about his experience navigating the non-academic job search and his current role as a Portfolio Manager at Laurion Capital Management LP, a privately owned hedge fund founded in 2005. His previous role was at Credit Suisse as Director of Proprietary Trading Desk where he worked for over ten years.

Hello! This is Kate and Leslie from Employer & Alumni Relations. We recently spoke with Balyasny Asset Management who are looking to increase their intern and full time hires this year. Internship opportunities are located in New York City and Chicago and full time positions are available in all locations: New York City, Chicago, Hong Kong, London, and Singapore. They are currently recruiting for research analysts, software analysts, quantitative developers, and data analysts. They are also open to sponsoring work visas. Be sure to check them out in LionSHARE!
