EMPLOYER NEWS FOR MASTER'S STUDENTS

Hello from Suzanne on the Employer and Alumni Relations team! The semester is coming to a close, but we still have some great companies looking to add recent Master's Program graduates to their teams. For those interested in a career in the computational biochemistry field, D.E. Shaw Research Group is an interdisciplinary, independent research lab in NYC who recently posted a variety of full time and internship opportunities for Summer 2016 in LionSHARE. All positions are paid, and range in function from Strategic Growth Associates (Job ID:212839) to Product Managers (Job ID: 212852) to Design Verification Engineers (Job ID: 212844). Although not a requirement for all positions, applicants with a background in chemistry, biology, computer science or engineering will have an edge, as well as those with demonstrated communication, analytical and leadership skills. To learn more about the various available positions and application process, check out the links above or conduct a Job/Internship search in LionSHARE using the keyword "D.E. Shaw" to view the positions that you qualify for. Just be sure to apply by May 7!
