Hi from Alicia at CCE! Seniors - Did you know that more full-time entry-level jobs are posted in LionSHARE in the Spring semester than in the Fall, and that the largest percentage of seniors accept job offers in March-May each year? If you’re looking to kick your job search into gear, join our Networking for Seniors workshop next Friday!

Hello from Leslie on the Employer & Alumni Relations team at CCE! I recently spoke with the Brown Institute for Media Innovation which is a collaboration between Columbia University and Stanford University, designed to enhance and support new undertakings in media innovation through engineering and storytelling. Call for proposals opens in March, where teams come together to bridge the discussion between engineers and journalists with the help of a yearlong research grant. To learn more, stop by their table at the upcoming Spring Career Fair on Feb. 17 or take a look at their website.

I also wanted to let you know CCE has a new Employer Partnership Program this year. Employers who are participating in the 2016-17 academic year, include Teach for America, Goldman Sachs, Citi, IBM, Morgan Stanley, and Vanguard. Check out their company profiles and follow them in LionSHARE to find out when these employers will be on campus in the Spring and to stay up-to-date on new job and internship opportunities!

Recent graduates are valuable resources for advice. Job searching has changed a lot in the last decade and talking to people who are fresh into the work world can bring a new perspective to your job search. Connect with your college alumni network via LinkedIn to get started.
