CCE EMPLOYER NEWS

Leslie and Syndhia, from the Employer & Alumni Relations team, here to tell you about our recent meeting with Univision. Headquartered in New York, with locations in Teaneck, NJ, which hosts most of their production and television content, and Miami, Univision looks for interns across a variety of departments including marketing, finance, IT, HR and more. They are looking for candidates with strong communication skills, particularly writing skills to join their team. Fall recruitment just wrapped up, but keep an eye out for spring and summer internship postings in LionSHARE, and while this networks program is primarily in Spanish, there is no language requirement for these
opportunities!
