EMPLOYER NEWS

Hello, from Emily on the Experiential Education team and Syndhia on the Employer and Alumni Relations team. Big news! This summer, CCE is launching a brand new CEO program in Seoul, South Korea! Earlier this month, we traveled to Seoul to meet with some awesome employers and Columbia alumni in order to secure a diverse range of internship opportunities. We met with several of South Korea’s largest companies, like Samsung and CJ Corporation, as well as some smaller organizations including The Dental Solution (anyone interested in 3D printing?) and Samoo Architects & Engineers. Internships will be posted on LionSHARE throughout the next couple weeks, so search Keyword: “CEOSeoul” for the most current offerings.
