

Creative Writing | BEYOND COLUMBIA

Studying Creative Writing prepares me to . . .

Critically analyze texts in aesthetic, historical, and sociopolitical context

Assess the mechanics and merits of texts

Execute creative projects, from conception to finished product

Write clear, engaging, and persuasive texts for different audiences

Incorporate feedback to creatively problem-solve

Synthesize information into a cohesive structure

Produce original works of fiction, poetry, or nonfiction

Edit texts, from developmental work to proofreading

Draw connections across sources of information

Articulate the process and intention behind a project

Carefully document and cite sources
