

Studying English prepares me to . . .

Critically analyze and interpret texts and ideas in cultural, sociopolitical, historical, and philosophical context

Conduct research using primary and secondary sources

Write clearly, analytically, and persuasively

Present and explain complex content

Synthesize large amounts of information into a coherent structure

Employ evidence to support or refute an argument

Identify patterns and connections across sources of information

Analyze texts for both grammatical and content accuracy

Understand and translate across cultures and perspectives

Carefully document and cite sources
