

Majoring in... **Industrial Engineering & Operations Research** ?

Where did last year's grads go?

What are recent alumni doing?

EMPLOYMENT

GRAD SCHOOL

My Columbia Industrial Engineering & Operations Research degree prepares me to...

Apply knowledge of mathematics, science, and engineering

Design and conduct experiments, as well as analyze and interpret data

Assess practical situations and problems, formulate models of the problems represented, design potential solutions, and evaluate their impact

Design a system, component, or process to meet desired needs within realistic constraints

Function on multidisciplinary teams

Communicate solutions and recommendations effectively through written, oral, and electronic presentations

Understand ethical issues and professional and managerial responsibilities

Identify, formulate, and solve engineering problems
