Concrete Plans (Employed, Grad School, Fellowship)

As a Columbia East Asian Studies major, I can...

Think historically about present-day global challenges through the lens of East Asian history

Communicate at an advanced level in an East Asian language

Understand and translate across cultures and perspectives

Investigate research questions and hypotheses

Analyze complex concepts and situations, thinking critically and creatively

Collect and evaluate sources and the quality of information

Draw connections between seemingly disparate sources of information

Employ evidence to support or refute an argument

Synthesize large amounts of information into a coherent structure

Write clear, organized, and persuasive texts
