As a Columbia Philosophy major, I can...

- Logically approach and analyze complex problems
- Think critically and objectively, with awareness of multiple perspectives
- Analyze policies for fairness and accuracy
- Apply knowledge of philosophy and ethics to real-world issues
- Employ evidence to support or refute an argument
- Write clear, organized, and persuasive texts
- Clearly explain and present ideas and information orally
- Develop creative solutions to unique situations
- Investigate research questions and hypotheses
- Carefully document and cite sources
