Majoring in... the Social Sciences?

Is your major...?

- African-American Studies
- Archaeology
- American Studies
- Anthropology
- Economics
- Ethnicity & Race Studies
- History
- Human Rights
- Political Science
- Sociology
- Urban Studies
- Women's & Gender Studies

As a Columbia Social Sciences major, I can...

- Analyze policies for fairness and accuracy
- Develop strategies to address issues related to power and authority, poverty and discrimination, and social change
- Critically evaluate and implement appropriate statistical models
- Organize, interpret, and evaluate empirical data and investigate research questions
- Write clearly and effectively
- Demonstrate command of social science theory
- Recognize political, economic, historical, and cultural forces affecting society
- Think critically and objectively about social structures and representations of difference
