

Majoring in... Economics?

Where did last year's grads go?

What are alumni doing?

GRAD SCHOOL

My Columbia Economics degree prepares me to...

Analyze and evaluate economic events and ideas through the lens of core economics principles

Gather and analyze social, economic, and business research

Write clear, concise technical reports and essays

Analyze quantitative and qualitative data

Interpret and communicate the results of statistical analysis

Understand how economic principles influence the behavior of individuals and organizations

Critically assess economic arguments using empirical evidence

Communicate effectively orally and in writing about specific economic issues
