- Earth and Environmental Sciences
- Ecology, Evolution, and Environmental Biology
- Mathematics
- Physics
- Psychology
- Statistics

What are alumni doing?

EMPLOYMENT

GRAD SCHOOL

My Columbia Natural Sciences degree prepares me to...

Approach scientific issues from a multidisciplinary perspective

Develop and investigate hypotheses using scientific theory, research methods, and experimental design

Analyze, evaluate, and interpret data

Organize and visualize experimental results

Access and interpret scientific literature

Clearly communicate complex scientific results and concepts orally and in writing

Collaborate on team projects

Implement safe and ethical research practices
