What are alumni doing?

EMPLOYMENT

GRAD SCHOOL

My Columbia Social Sciences degree prepares me to...

Evaluate the social implications of policy decisions

Apply social theory concepts to critically engage in cultural, political, or economic debates

Conduct research using primary and secondary sources

Analyze and present quantitative and/or qualitative data

Evaluate and apply appropriate statistical models

Write clear and persuasive texts

Think critically and objectively about social structures and representations of difference

Debate and develop strategies for ameliorating social problems

Situate human behavior within a social science context
