## As a Columbia Arts major, I can...

Analyze and interpret visual and multimodal information

Evaluate and critique works of art and theory in their aesthetic, historical, sociopolitical contexts

Apply interdisciplinary and historical research methods to the study of art

Develop creative approaches to otherwise conventional problems

Execute creative projects, from conception to finished product

Draw connections between seemingly disparate sources of information

Communicate complex ideas orally and in writing

Deliver independent work with minimal supervision

Articulate the process and intention behind a project

Engage with polemics within contemporary art or performance

Collaborate with other artists
