

Social Sciences | BEYOND COLUMBIA

African-American Studies | Archaeology | American Studies | Anthropology | Economics | Ethnicity & Race Studies
History | Human Rights | Political Science | Sociology | Urban Studies | Women's & Gender Studies

Studying Social Sciences prepares me to . . .

Evaluate the social implications of policy decisions

Apply social theory concepts to critically engage in cultural, political, or economic debates

Conduct research using primary and secondary sources

Analyze and present quantitative and/or qualitative data

Evaluate and apply appropriate statistical models

Write clear, organized, and persuasive texts

Think critically and objectively about social structures and representations of difference

Debate and develop strategies for ameliorating social problems

Reflect on the contextual, social construction of meaning and significance

Situate human behavior within a social science context
